

UNIVERSITY OF PENNSYLVANIA

# SOCIETY OF WOMEN ENGINEERS SPONSORSHIP PACKAGE

2026 - 2027

DIFFERENTIATE YOUR COMPANY TO POTENTIAL RECRUITS.  
INCREASE YOUR VISIBILITY THROUGHOUT PENN ENGINEERING.  
PROMOTE COMMUNITY IN ENGINEERING.

# A GLOBAL COMMUNITY

The Society of Women Engineers (SWE) is an internationally recognized not-for-profit service organization aimed at informing the community of the qualifications and achievements of women engineers. Its mission is to stimulate women to achieve their full potential in their careers as engineers and as leaders, to expand the image of the engineering profession as a positive force in improving quality of life, and to demonstrate the value of diversity.

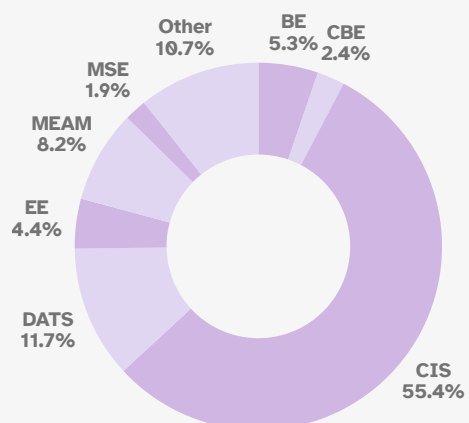

## OUR PRIMARY OBJECTIVES

The organization's three primary objectives:

- Professional Excellence
- Globalization
- Advocacy

## OUR MEMBERS

# SOCIETY OF WOMEN ENGINEERS AT PENN:

Penn SWE connects Penn Engineering students with companies committed to building inclusive, innovative technical teams. Through professional development, community programming, outreach, and signature recruiting events, we create opportunities for students to explore career paths, strengthen technical and leadership skills, and build meaningful relationships with industry professionals.

## Your sponsorship supports

- Annual Corporate Dinner
- Sit Down with Startups
- GEARS Day: High School STEM Outreach
- Monthly General Body Meetings
- Professional Development Workshops
- Technical Skill-Building Events
- Community-Building Programming
- Gender Equity Workshops
- Guest Speaker Events with Industry Leaders
- Student participation in the National SWE Conference

## Sponsors can engage through

- Company-tailored events aligned with your values, work, and hiring goals
- Access to Penn SWE resume books
- Attendance at Penn SWE's Annual Corporate Dinner
- 1-on-1 coffee chats with students
- In-person office visits
- Professional, technical, and networking events
- Additional partnership opportunities throughout the year

---

# CORPORATE DINNER

Corporate Dinner is Penn SWE's largest annual recruiting and networking event, bringing together Penn Engineering students and company representatives for an evening of meaningful conversation, professional connection, and career exploration.

This event gives sponsors direct access to a talented and motivated group of students across engineering disciplines, many of whom identify as women or gender minorities. Companies will have the opportunity to share their work, discuss internship and full-time opportunities, and build relationships with students in a more personal setting.

This year's Corporate Dinner will be held in person at **Penn Engineering Campus** on **Tuesday, September 15, 2026**, from **6:00–8:30 PM EST**. Participating companies will be stationed at tables to facilitate one-on-one and small-group conversations with students interested in learning about your organization, career paths, and company culture.

We invite you to join us for Penn SWE's 30th Annual Corporate Dinner.

Registration information is on the next page.

# GENERAL SPONSORSHIP OPPORTUNITIES

*Any sponsorship item that is purchased receives automatic access to advertisement on our social media pages, email listserv, and logo on our website.*

| SPONSORSHIP                                                                                                                                                                                                                                                                                                                             | PRICE                                      |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------|
| <b>CORPORATE DINNER</b><br>Attend Penn SWE's largest networking event to engage with talented students seeking professional opportunities.                                                                                                                                                                                              | \$1000 (1 REP)<br>ADDITIONAL \$100 PER REP |
| <b>HOST AN EVENT</b><br>SWE organizes and hosts a variety of events. # PENN SWE THANKS YOU!

On behalf of the University of Pennsylvania Society of Women Engineers chapter, thank you for your partnership and support.

Our sponsors play an important role in helping Penn SWE create meaningful opportunities for students across engineering disciplines. Your support allows us to host professional development events, community-building programs, outreach initiatives, and our annual Corporate Dinner, while continuing to promote equity and inclusion in engineering.

We are excited to continue building relationships between our members and industry professionals, and we look forward to partnering with you throughout the 2026-2027 academic year.

For more information or questions, please contact Chantal van Dongeren, our Vice President of External Affairs, at [swe@seas.upenn.edu](mailto:swe@seas.upenn.edu).

Payment details and final instructions will be shared separately.

Sponsorships are treated as a form of fundraising, not as a quid pro quo arrangement, as benefits provided to sponsors are minimal and not considered a direct exchange for their financial support. Penn SWE will not pursue agreements/contracts that need to be signed by official designees at the University of Pennsylvania.

## PAYMENT OPTIONS

**Purchase a Corporate Dinner Ticket** [here](#). Payment should be finalized by September 15th, 2026 to be a Corporate Dinner sponsor.

**Donate via credit card:** Organizations can directly support SWE through the Penn Giving portal. Please select "Special Reason" and indicate that the gift is intended for Penn Society of Women Engineers (Penn SWE). If your sponsorship is meant for a specific purpose (such as resume book access or sponsorship of a particular program), please include that information as well. After submitting payment, please email Penn SWE at [swe@seas.upenn.edu](mailto:swe@seas.upenn.edu) with the donation amount, the date submitted, your organization's name and contact information, and the intended sponsorship purpose, so we can properly process and confirm your sponsorship benefits.

**Donate via ACH:** Organizations wishing to donate via ACH (such as a wire transfer or via invoice) may do so in coordination with Penn Engineering Financial Services (PEFS). To initiate this process, please contact Penn SWE at [swe@seas.upenn.edu](mailto:swe@seas.upenn.edu). Our team will coordinate directly with you to collect the necessary information and facilitate invoicing through the University of Pennsylvania.

**Donate via check:** Organizations wishing to submit payment by check may contact Penn SWE at [swe@seas.upenn.edu](mailto:swe@seas.upenn.edu) for mailing instructions.
